MANAGEMENT INFORMATION CIRCULAR

THIS INFORMATION CIRCULAR CONTAINS INFORMATION AS AT JULY 7, 2016.

PERSONS MAKING THIS SOLICITATION OF PROXIES

This management information circular (the “Circular”) is furnished in connection with the solicitation by management of Noble Iron Inc. (the “Corporation”) of proxies to be used at an annual meeting of the shareholders of the Corporation (the “Meeting”) to be held at the offices of Wildeboer Dellece LLP, 8th Floor, 365 Bay Street, Toronto, Ontario M5H 2V1 on August 11, 2016 at 1 p.m. (Toronto time) and at any adjournment thereof for the purposes set forth in the enclosed notice of annual meeting of shareholders (the “Notice of Meeting”). Proxies will be solicited primarily by mail but may also be solicited personally, by telephone or by facsimile by the directors, officers or employees of the Corporation. The costs of solicitation will be borne by the Corporation. Pursuant to National Instrument 54-101, *Communication with Beneficial Owners of Securities of a Reporting Issuer*, arrangements have been made to forward proxy solicitation material to the beneficial owners of the common shares (“Common Shares”) of the Corporation. Except where otherwise indicated, information contained herein is given as of July 7, 2016.

These security holder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the issuer or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding them on your behalf.

By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

NOTICE AND ACCESS

The Corporation has elected to take advantage of the amendments to National Instrument 51-102 – “Continuous Disclosure Obligations” and National Instrument 54-101 – “Communication with Beneficial Owners of Securities of a Reporting Issuer” (“NI 54-101”) which came into force on February 11, 2013 (“Notice and Access”). Notice and Access is a new set of rules that reduces the volume of materials that must be physically mailed to shareholders by allowing issuers to deliver meeting materials to shareholders electronically by providing shareholders with access to these materials online.

In accordance with the Notice and Access provisions, a notice and a form of proxy or voting instruction form (the “Notice Package”) has been sent to all shareholders informing them that this Circular is available online and explaining how this Circular may be accessed, in addition to outlining relevant dates and matters to be discussed at the Meeting. The Notice of Meeting, the Circular and the financial statements (collectively, the “Proxy-Related Materials”) have been made available online to shareholders at <http://nobleiron.com> as well as under the Corporation’s SEDAR profile (the System for Electronic Document Analysis and Retrieval) at www.SEDAR.com. The Corporation will directly send the Notice Package to Non-Registered Holders (as hereinafter defined).

For the Meeting, the Corporation is using Notice and Access for both registered and non-registered (or beneficial) shareholders. Neither registered shareholders nor Non-Registered Holders will receive a paper copy of this Circular unless they contact the Corporation after it is posted, in which case the Corporation will mail this Circular within three business days of any request provided the request is made prior to the meeting. Shareholders wishing to receive paper copies of the Proxy-Related Materials can request same from the Corporation by calling toll-free 1-877-796-6253. In order to ensure that a paper copy of the Circular can be delivered to a requesting shareholder in time for such shareholder to review the Circular and return a proxy or voting instruction form prior to the deadline to receive proxies, it is strongly suggested that shareholders ensure their request is received by the Corporation no later than the close of business (Toronto time) on July 29, 2016.

COMPLETION, VOTING AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are representatives of management of the Corporation and directors or officers of the Corporation. **A shareholder desiring to appoint some other person, who need not be a shareholder of the Corporation, to represent him or her at the Meeting may do so by filling in the name of such person in the blank space provided in the proxy or by completing another proper form of proxy.** A shareholder wishing to be represented by proxy at the Meeting or any adjournment thereof must, in all cases, deposit the completed proxy with Computershare Investor Services Inc. (“Computershare”), 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, Attention: Stock Transfer Services - Proxy Department (Fax no. 1-866-249-7775) on or before the close of business on the second business day preceding the day of the Meeting or any adjournment thereof at which the proxy is to be used, or deliver it to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time of voting. A proxy should be executed by the shareholder or his or her attorney duly authorized in writing or, if the

shareholder is a corporation, by an officer or attorney thereof duly authorized.

A shareholder who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy. In addition to revocation in any other manner permitted by law, a proxy may be revoked by either executing a form of proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the shareholder or by such shareholder's authorized attorney in writing or, if the shareholder is a corporation, by an officer or attorney thereof duly authorized by a certified resolution authorizing the revocation, and by filing the form of proxy bearing a later date or the revocation of proxy either at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, or by filing the form of proxy with Computershare or by filing the revocation of proxy with the chairman of the Meeting on the day of the Meeting, or any adjournment thereof. In addition, a proxy may be revoked by the shareholder personally attending the Meeting and voting.

A shareholder attending the Meeting has the right to vote in person and, if he or she does so, his or her proxy is nullified with respect to the matters such person votes upon and any subsequent matters thereafter to be voted upon at the Meeting or any adjournment thereof.

EXERCISE OF DISCRETION BY PROXIES

The Common Shares represented by proxies in favour of management nominees will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if a shareholder specifies a choice with respect to any matter to be acted upon at the Meeting, the shares represented by proxy shall be voted accordingly. **Where no choice is specified, the proxy will confer discretionary authority and will be voted in favour of the matters set out in this Circular.** The enclosed form of proxy also confers discretionary authority upon the persons named therein to vote with respect to any amendments or variations to the matters identified in the Notice of Meeting and with respect to any other matters which may properly come before the Meeting in such manner as the nominee in his judgment may determine. At the time of printing this Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

ADVICE TO NON-REGISTERED HOLDERS

The information set forth in this section is of significant importance to many shareholders as a substantial number of them do not hold common shares in their own name. Only registered holders of common shares of the Corporation or the persons they validly appoint as their proxies are permitted to vote at the Meeting. However, in many cases, common shares beneficially owned by a person (a **"Non-Registered Holder"**) are registered either: (i) in the name of an intermediary (an **"Intermediary"**) (including banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans) that the Non-Registered Holder deals with in respect of the shares, or (ii) in the name of a clearing agency (such as the Canadian Depository for Securities Limited) of which the Intermediary is a participant.

Distribution to NOBOs

In accordance with the requirements of the Canadian Securities Administrators and National Instrument 54-101, "Communication with Beneficial Owners of Securities of a Reporting Issuer" (**"NI-54-101"**), the Corporation will have caused its agent to distribute copies of the Notice of Meeting and this Circular (collectively, the **"meeting materials"**) as well as a voting instruction form directly to those Non-Registered Holders who have provided instructions to an Intermediary that such Non-Registered Holder does not object to the Intermediary disclosing ownership information about the beneficial owner (**"Non-Objecting Beneficial Owner"** or **"NOBO"**).

The meeting materials distributed by the Corporation's agent to NOBOs include a voting instruction form. Please carefully review the instructions on the voting instruction form for completion and deposit.

Distribution to OBOs

In addition, the Corporation will have caused its agent to deliver copies of the meeting materials to the clearing agencies and Intermediaries for onward distribution to those Non-Registered Holders who have provided instructions to an Intermediary that the beneficial owner objects to the Intermediary disclosing ownership information about the beneficial owner (**"Objecting Beneficial Owner"** or **"OBO"**).

Intermediaries are required to forward the meeting materials to OBOs unless an OBO has waived his or her right to receive them. Intermediaries often use service companies such as Broadridge Proxy Services to forward the meeting materials to OBOs. Generally, those OBOs who have not waived the right to receive meeting materials will either:

- (a) be given a form of proxy which has already been signed by the intermediary (typically by a facsimile stamped signature), which is restricted as to the number of shares beneficially owned by the OBO, but which is otherwise uncompleted. This

form of proxy need not be signed by the OBO. In this case, the OBO who wishes to submit a proxy should properly complete the form of proxy and deposit it with Computershare Investor Services Inc. in the manner set out above in this Circular, with respect to the common shares beneficially owned by such OBO; or

- (b) more typically, be given a voting instruction form which is not signed by the Intermediary and which, when properly completed and signed by the OBO and returned to the Intermediary or its service company, will constitute authority and instructions which the Intermediary must follow. Typically, the voting instruction form will consist of a one page pre-printed form. The purpose of this procedure is to permit the OBO to direct the voting of the common shares he or she beneficially owns.

Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the persons named in the form and insert the Non-Registered Holder's name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions, including those regarding when and where the proxy or voting instruction form is to be delivered.

The Corporation has determined not to pay the fees and costs of Intermediaries for their services in delivering meeting materials to OBOs in accordance with NI 54-101 – “Communication with Beneficial Owners of Securities of a Reporting Issuer”. As a result, OBOs will not receive the meeting materials unless the OBO's Intermediary assumes the costs of delivery.

QUORUM

The presence of two or more shareholders or proxy-holders entitled to cast votes at the Meeting holding a minimum of 5% of the outstanding Common Shares entitled to vote thereat will constitute a quorum. The Corporation's list of shareholders as of the Record Date (as defined below) has been used to deliver to shareholders the Notice Package as well as to determine who is eligible to vote.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The authorized share capital of the Corporation consists of an unlimited number of Common Shares and 100,000,000 preferred shares (the “Preferred Shares”).

There are currently 27,417,479 Common Shares issued and outstanding as of the date hereof. There are no Preferred Shares outstanding.

In accordance with the provisions of the *Business Corporations Act* (Ontario), the Corporation has fixed June 30, 2016 as the record date (the “Record Date”) for the purpose of determining shareholders entitled to receive the Notice And Access Notice Package and vote at the Meeting, and will prepare a list of holders of its Common Shares as at the close of business on that date. Only shareholders of record at the close of business on the Record Date, who either personally attend the Meeting or who have completed and delivered a form of proxy in the manner and subject to the provisions described above shall be entitled to vote or to have their Common Shares voted at the Meeting. As used herein, the term “shareholder” refers only to registered holders of Common Shares of the Corporation.

STOCK OPTION PLAN

Effective May 17, 2013, the Board amended the Corporation’s stock option plan (the “**Stock Option Plan**”) to change the number of options available for grant from 1,700,000 to 2,119,112, being 10% of the then-issued and outstanding Common Shares, and to add certain provisions respecting USA-resident recipients of stock options. As the number of options available for grant was not more than 10% of the issued and outstanding Common Shares on such date, as the amendment in respect of USA residents was of a housekeeping nature, the amendments did not require the approval of the shareholders of the Corporation. On June 10, 2014, the Board amended the Stock Option Plan to change the fixed number of options available for grant from 2,119,112 to 3,283,095, being approximately 15.33% of the number of Common Shares issued and outstanding as of the date of the amendment (being 21,415,479

Common Shares). As this amendment provided that the number of options available for grant is more than 10% of the then-currently issued and outstanding Common Shares, the Corporation obtained the approval of its shareholders for the amendment to the number of stock options available for grant at the annual shareholder meeting held July 14, 2014.

The purpose of the Stock Option Plan is to encourage equity participation in the Corporation through the acquisition of Common Shares by its directors, senior officers, employees and Consultants (as defined in the Stock Option Plan) and to enable the Corporation to attract and maintain highly qualified directors, senior officers, employees and Consultants. The Stock Option Plan is a “fixed number” stock option plan as the number of shares reserved for issuance pursuant to the grant of stock options will not increase as the Corporation’s issued and outstanding share capital increases. The maximum number of Common Shares reserved for issuance to any one participant upon the exercise of options shall not exceed 5% of the total number of Common Shares outstanding immediately prior to such issuance, unless disinterested shareholder approval has been obtained. If a stock option expires or otherwise terminates for any reason without having been exercised in full, the number of Common Shares in respect of such expired or terminated stock option that has not been exercised shall again be available for the purpose of the Stock Option Plan. If a stock option is exercised according to its terms, such stock option shall not be available for re-grant. The exercise price of an option shall be determined by the Board at the time the option is granted, but shall not be less than the closing price of the Common Shares on the TSXVE, less any applicable discount permitted by the policies of the TSXVE, on the last trading day preceding the date on which the grant of the option is approved by the Board. Stock Options may provide for an exercise period of up to ten years.

The external auditors must report directly to the Committee, who shall review the independence and performance of the auditors and annually recommend to the Board the appointment of the external auditors or approve any discharge of auditors when circumstances warrant. The Committee shall approve the compensation of the external auditors.
2. The Committee must pre-approve all non-audit services to be provided to the Corporation or its subsidiary entities, unless such non-audit services are reasonably expected to constitute not more than five (5) percent of the total fees paid by the Corporation to the external auditor during the

particular fiscal year, or if the Corporation did not recognize such services as non-audit services at the time of engagement. The pre-approval requirement will be satisfied if such non-audit services are promptly brought to the attention of the Committee prior to the completion of the audit and approved by the Committee, or by one or more of its members to whom authority to grant such approvals has been delegated by the Committee. In addition, the Committee may satisfy the pre-approval requirement by adopting specific and detailed policies and procedures for the engagement of non-audit services, so long as the Committee is informed of each non-audit service and such procedures do not include delegation of the Committee's responsibilities to management.

3. On an annual basis, the Committee should review and discuss with the external auditors all significant relationships they have with the Corporation that could impair the auditors' independence.
4. Review the external auditors' audit plan and discuss and approve the audit scope, staffing, locations, reliance upon management, and general audit approach.
5. Prior to releasing the year-end earnings, discuss the results of the audit with the external auditors. Discuss any matters that are required to be communicated to audit committees in accordance with the standards established by the Canadian Institute of Chartered Accountants.
6. Consider the external auditors' judgments about the quality and appropriateness of the Corporation's accounting principles as applied in the Corporation's financial reporting.

Internal Audit Department and Legal Compliance

1. Review and approve management's decisions related to the need for internal auditing.
2. Review the mandate, budget, plan, changes in plan, activities, organizational structure and qualifications of the internal audit department, if such department is established.
3. Review the appointment, performance and replacement of the senior internal audit executive, if such position is created.
4. Review significant reports prepared by the internal audit department, if established, together with management's response and follow-up to these reports.
5. On at least an annual basis, review with the Corporation's counsel any legal matters that could have a significant impact on the organization's financial statements, the Corporation's compliance with applicable laws and regulations and inquiries received from regulators or governmental agencies.

Other Miscellaneous Responsibilities

1. Annually assess the effectiveness of the Committee against its Mandate and report the results of the assessment to the Board.
2. Prepare and disclose a summary of the Mandate to shareholders.
3. Perform any other activities consistent with this Mandate, the Corporation's by-laws and governing law, as the Committee or the Board deems necessary or appropriate.
4. Review and approve the Corporation's hiring policies regarding partners, employees and former partners and employees of the present and former external auditor of the Corporation.

Authority

The Committee shall have the authority to:

1. delegate approval-granting authority to pre-approve non-audit services by the external auditor to one or more of its members;
2. engage independent counsel and other advisors as it determines necessary to carry out its duties;
3. set and pay the compensation for any advisors employed by the Committee;
4. communicate directly with the external auditors;
5. establish procedures for the receipt, retention and treatment of complaints received by the Corporation regarding internal accounting controls, or auditing matters and the confidential, anonymous submission by employees of the Corporation regarding questionable accounting or auditing matters.

Reporting

The Committee shall report its deliberations and discussions regularly to the Board and shall submit to the Board the minutes of its meetings.

Resources

The Committee shall have full and unrestricted access to all of the Corporation's books, records, facilities and personnel as well as the Corporation's external auditors and shall have the authority, in its sole discretion, to conduct any investigation appropriate to fulfilling its responsibilities. The Committee shall further have the authority to retain, at the Corporation's expense, such special legal, accounting or other consultants or experts as it deems necessary in the performance of its duties and to request any officer or employee of the Corporation or the Corporation's external counsel or auditors to attend a meeting of the Committee.

Limitation on the Oversight Role of the Committee

Nothing in this Charter is intended, or may be construed, to impose on any member of the Committee a standard of care or diligence that is in any way more onerous or extensive than the standard to which all members of the Board are subject.

Each member of the Committee shall be entitled, to the fullest extent permitted by law, to rely on the integrity of those persons and organizations within and outside the Corporation from whom he or she receives information, and the accuracy of the information provided to the Corporation by such persons or organizations.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Corporation's financial statements and disclosures are complete and accurate and in accordance with generally accepted accounting principles and applicable rules and regulations, each of which is the responsibility of management and the Corporation's external auditors.
