

Noble Iron Pledges Support and Day of Service for Hurricane Harvey Victims

September 21, 2017 - San Francisco, CA - The impact of Hurricane Harvey cannot be understated. At Noble Iron, we have employees, families and friends who have been affected by this tragic event. Our thoughts are with everyone in the Texas and Louisiana regions. Those people need our immediate help and support.

To help those negatively impacted by Harvey, Noble Iron has made a \$10,000 donation to Red Cross. We encourage others who are able to make a positive contribution. It's times like these that we need to come together and do whatever we can to rally around our neighbors and community.

Additionally, on November 16th, the Noble Iron team will be in Houston serving meals to those in need. Location and time will be announced on a later date.

Anyone interested in joining Noble Iron on that day of service please contact:
brandon.matthews@nobleiron.com.

About Noble Iron (*NIR: TSX Venture Exchange*)

Noble Iron is a technology company that offers software applications and services to construction and industrial equipment owners, renters and users to manage their equipment's lifecycle. Texada Software, a wholly owned subsidiary of Noble Iron Inc., offers cloud or client-based software applications for equipment rental companies, equipment dealerships, construction companies, general contractors, and construction or industrial equipment operators, including mechanics, and logistics and service technicians. Texada's software applications manage the entire equipment lifecycle, including equipment purchasing; rental and sales transactions; inventory location, utilization, maintenance and depreciation tracking; used equipment sales and disposals analysis; and inventory replenishment analysis. Texada's software products include, SRM (Systematic Rental Management), FleetLogic, Insight and GateWay. For more information, visit www.texadasoftware.com, www.getfleetlogic.com or call (800) 361-1233.

Noble Iron can be reached at (866) 762-9475, or at www.nobleiron.com.

This news release may contain forward-looking statements which reflect the Company's current expectations regarding future events. The forward-looking statements are often, but not always, identified using words such as "seek", "anticipate", "plan", "estimate", "expect", "intend" and statements that an event or result "may", "will", "should", "could" or "might" occur or be achieved and other similar expressions. These forward-looking statements involve risk and uncertainties, including the difficulty in predicting acceptance of and demands for new products, the impact of the products and pricing strategies of competitors, delays in developing and launching new products, fluctuations in operating results and other risks, any of which could cause results, performance, or achievements to differ materially from the results discussed or implied in the forward-looking statements. Many risks are inherent in the industries in which the Company participates; others are more specific to the Company. The Company's ongoing quarterly filings should be consulted for additional information on risks and uncertainties relating to these forward-looking statements. Investors should not place undue reliance on any forward-looking statements. Management assumes no obligation to update or alter any forward-looking statements whether as a result of new information, further events or otherwise, other than as required by law.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
